

# WHAT IS **THE MEANING** OF LIFE?

# YOUR REALITY

---

## What is the purpose of our existence?

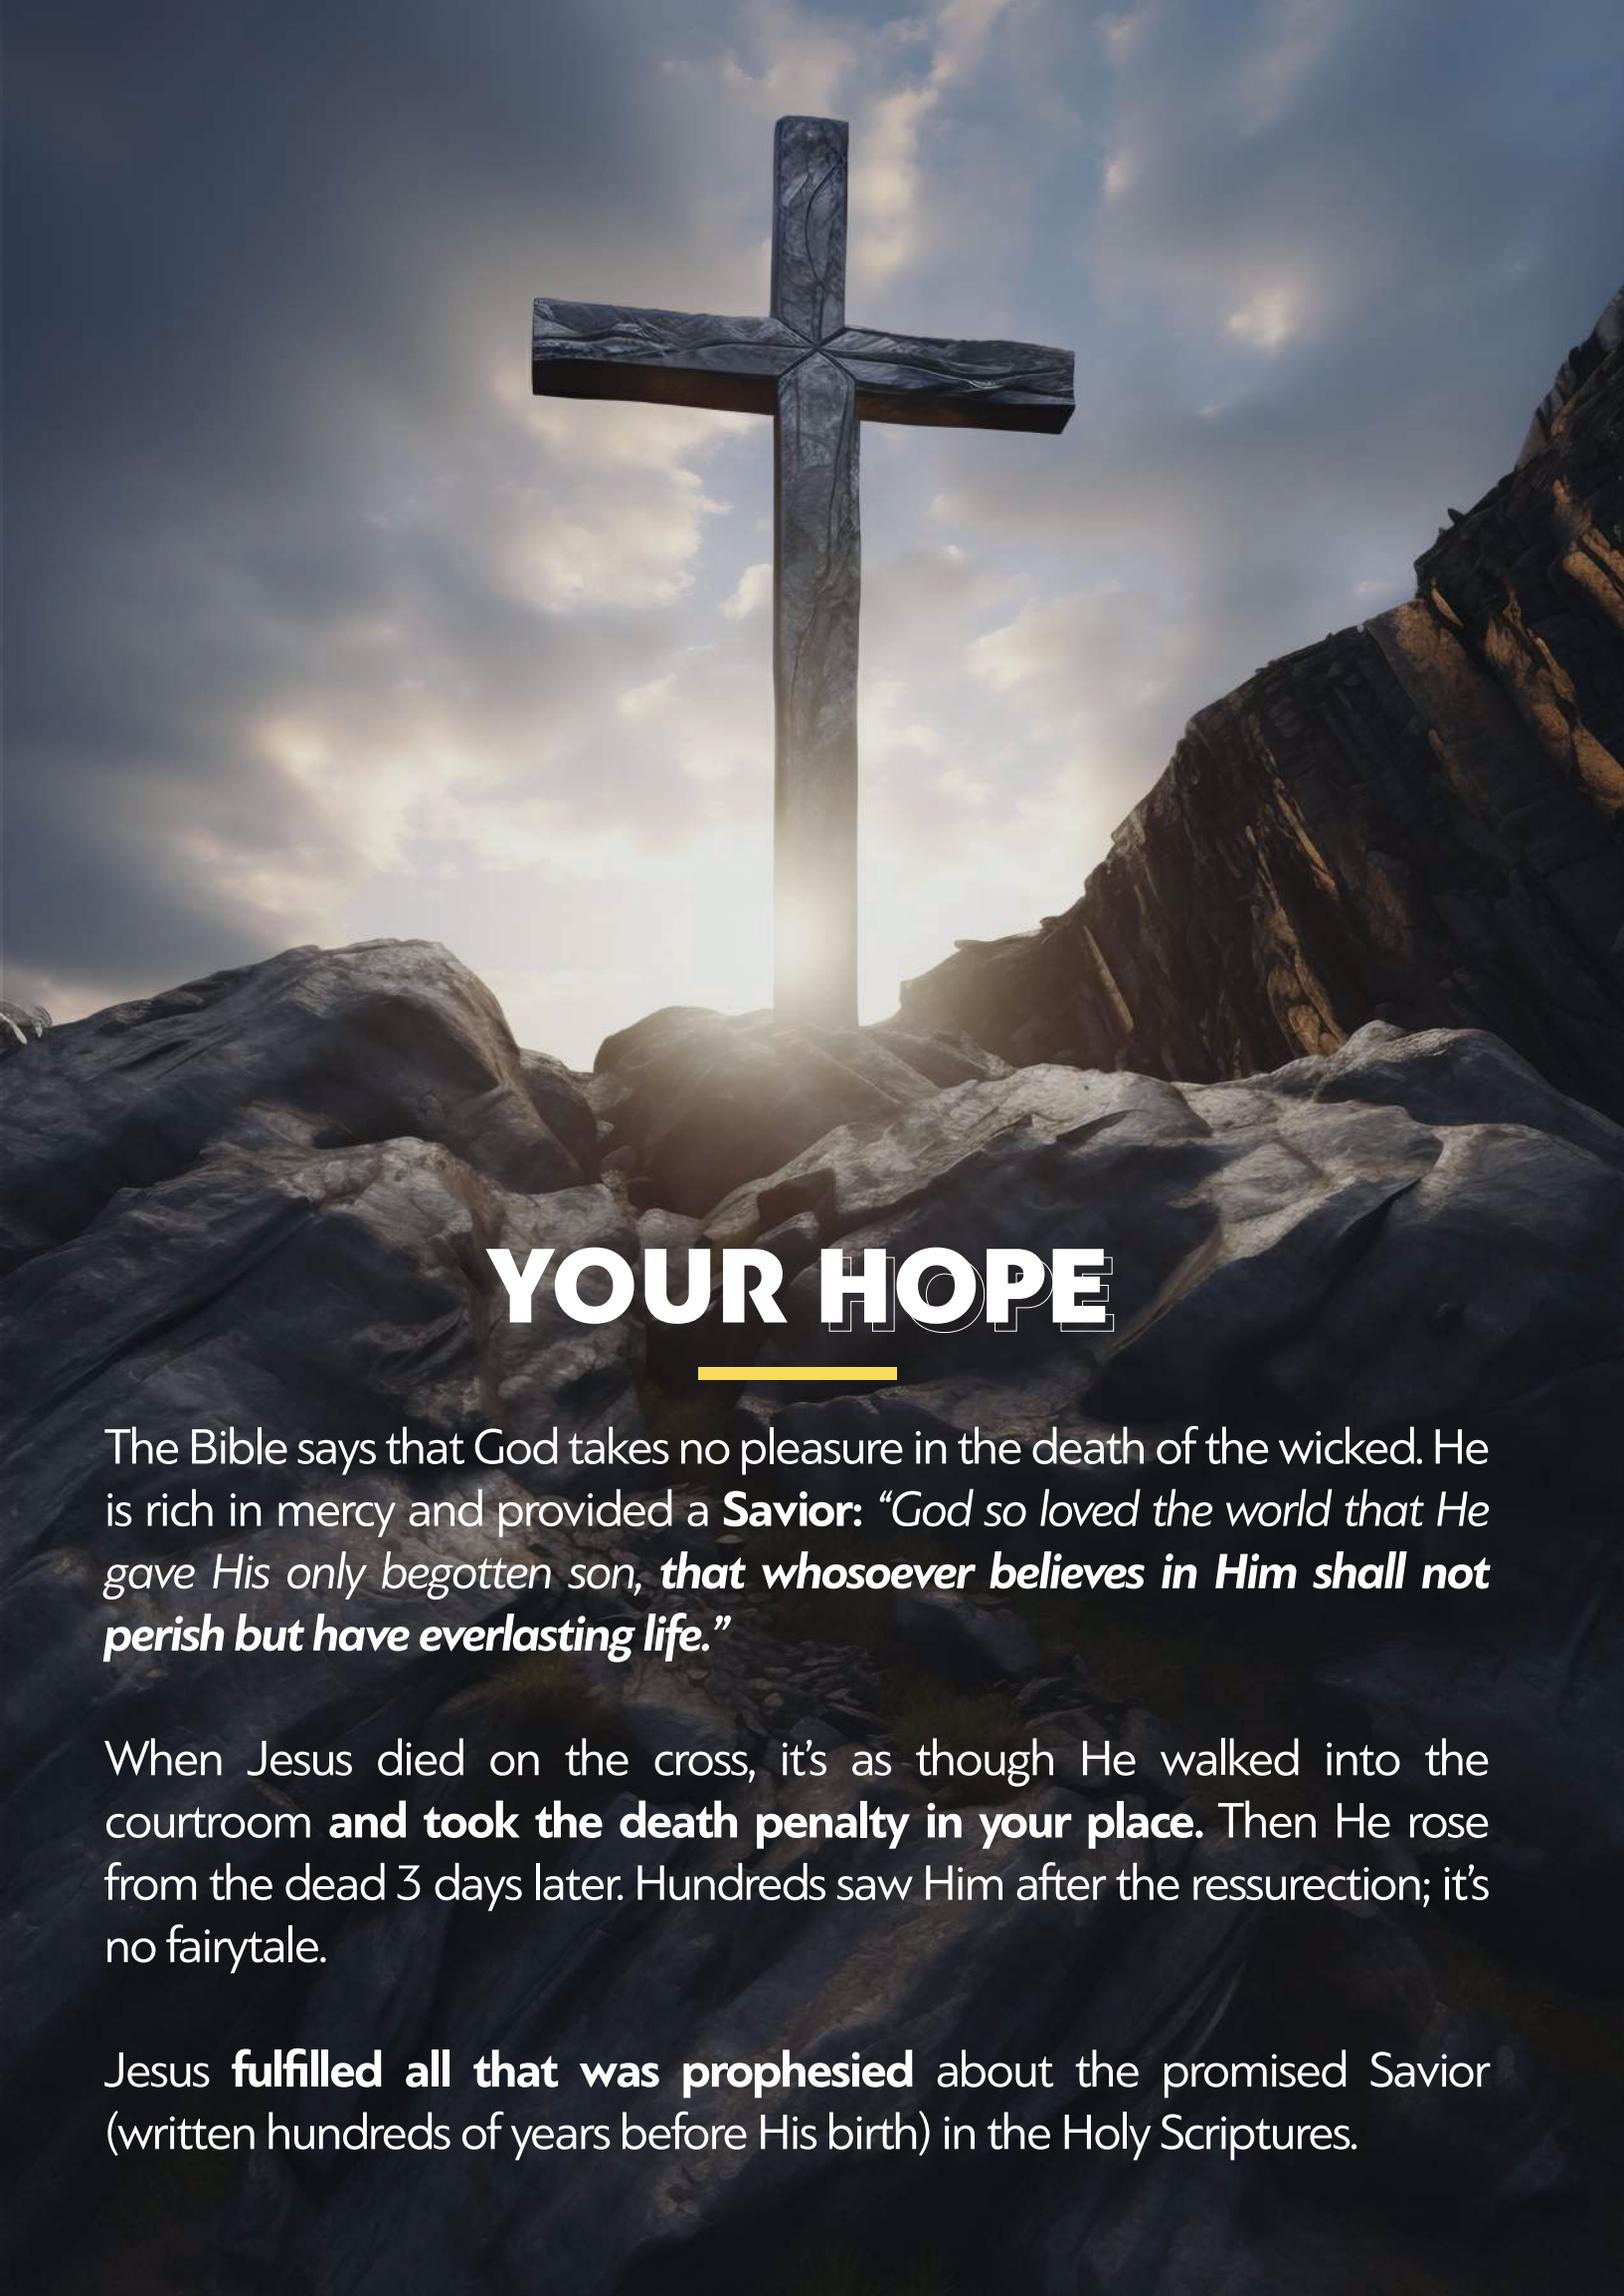

Is it simply to have a good job, build a family, and enjoy life? Is that all there is? Certainly not.

We're made for so much more. **Your purpose is to know God.** After we die, the Bible says we'll face God as our Judge. Have you ever rebelled (sinned) against God?

## Examine yourself by **God's Law, the Ten Commandments.**

Have you ever told a lie? Ever stolen (the value is irrelevant)? Jesus said, *"Whoever looks at a woman to lust for her has already committed adultery with her in his heart."*

In God's courtroom, our sins are very serious crimes. They're so evil that the just punishment is **death and eternity in a terrible place called Hell.**

# YOUR HOPE

---

The Bible says that God takes no pleasure in the death of the wicked. He is rich in mercy and provided a **Savior**: “*God so loved the world that He gave His only begotten son, **that whosoever believes in Him shall not perish but have everlasting life.***”

When Jesus died on the cross, it’s as though He walked into the courtroom **and took the death penalty in your place**. Then He rose from the dead 3 days later. Hundreds saw Him after the resurrection; it’s no fairytale.

Jesus **fulfilled all that was prophesied** about the promised Savior (written hundreds of years before His birth) in the Holy Scriptures.

# YOUR DESTINY

---

Religious rituals, sacred traditions, or going to church can't save you. **Salvation is a free gift from God you can't earn.**

To know God and have your sins forgiven, do what the Bible says: **repent and believe**. Trust in Him as you'd trust in a parachute — don't just "believe" it can save you, put it on and cling to it with all your heart. Wholeheartedly commit yourself to following Christ and turn your back on sin.

Then show your gratitude by obeying His command to be baptized. Make sure to also join a Christian church and read your Bible daily.

**God will never let you down.**

# REPENT & BELIEVE

**Happiness** is not the meaning  
of life. Your meaning is  
**much greater.**

# What on earth are we doing here?

---

It's the single most important question you will ever ask. Understanding the answer holds the **greatest treasure** and ignoring it brings the **greatest peril**.

## HEAVEN - HELL

A person is paragliding over a vast mountain range. The parachute is large and colorful, with sections of blue, green, yellow, orange, and red. The person is suspended in the air, and the background shows rugged, rocky mountains under a blue sky with some clouds. The foreground shows a grassy slope with patches of snow.

Trust Christ as you would trust a parachute – don't just 'believe' that it can save you. When you jump into the void, you must wear it, open it, and hold onto it with all your strength!
